### **Meeting attendance**

It is customary for members to attend each Network meeting. When that is not possible, members are invited to send a deputy to represent them.

Other standards bodies who are not members may be invited to attend a meeting of the Network to discuss their perspective on a current issue.

### **Meeting agenda**

The standing agenda for meetings of the Network of Standards Bodies is as follows:

- Opening comments by the Chair of the EIC.
- A briefing by the member representing each standards body, updating the Network on key issues, concerns and lessons identified for their organisation.

- Any other business.

### **Transparency**

The minutes of Network of Standards Body meetings are published on the EIC website within one month of the meeting taking place.
